HOW TO USE KAHOOT ?

➢ Sign up for free on Kahoot online at https://getkahoot.com/ .

➢ Select the account type As a Teacher and add the account details and click the button Join Kahoot at the bottom of that page.

➢ Use the menu bar display Find Kahoot as a source of public kahoot library.

➢ After clicking on Find Kahoot either they can type in Search Kahoots with a title or subject to find the relevant kahoot or they can use tabbed list: Featured, Most popular, Trending, Trending near you or Top Kahooters.

➢ After getting the list, the user can click Play button for direct use for audience and can click Duplicate button to edit that kahoot.
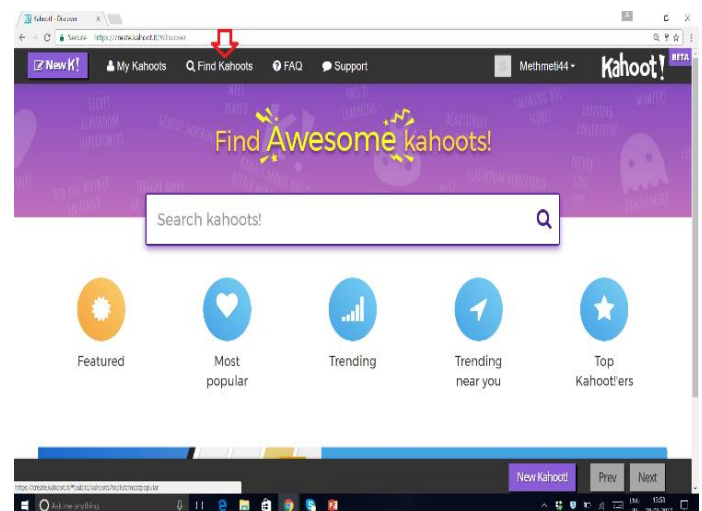

➢ During editing the user can delete the question, edit the question and change the time limit.

➢ User can create the new Kahoot by click the option of NEW K! on the left most side of menu bar display and then selecting the type of Kahoot : Quiz, Jumble, Discussion or Survey.

➢ User need to add the Title, Image and preference of Visible to (only me or every one), Language, Audience and need to write short Description and click the button OK GO on the top right side. And find the link Add Questions on the new opened page.

➢ Add as many questions as you want to set the time limit for each question and click the Save button on top right side.

➢ User can use it any time, by clicking the button MY Kahoot on the menu bar, and can share with the other teachers.

➢ In class room the user need to select his Kahoot and the click PLAY button in that Kahoot. And instruct the audience to join the kahoot on https://kahoot.it on their devices and add the game pin.

➢ After getting the name of the players click Start button. And click next when you get the answer of all participants. User will get a list of participants with their scores after each question answered and then finally he will get the result and download it as excel file.

➢ After the game the teacher can select the SAVE option to save the scores of the students that can serve as grades.
